I am The Illusive Man, a Ninja Samurai with a sword as my keyboard, I help information on networks. Through systems, peoples, and cities, to this place. To collect, encrypt, and defend while in the coziest pajamas. The future is not determined by the throw of the dice; it is determined by the conscious decisions of you and me.

With network topology at it's finest, if there is something that you are looking for ask away, I'll help provide information. Movies, Games, TV Shows, Anime and tech are my favorite topics to discuss about, your awesomeness can be shared in my chat room, drop in and ask me anything.

Quotes

Through me the way into the suffering city,
Through me the way to the eternal pain,
Through me the way that runs among the lost.
Justice urged on my high artificer;
My Maker was Divine authority,
The highest Wisdom, and the primal Love.
Before me nothing but eternal things
Were made, and I endure eternally.
Abandon every hope, who enter here.
— Dante, *Inferno*, 3.1–9

"Death is but the doorway to new life. We live today, we shall live again. In many forms shall we return" - Egyptian Prayer of Resurrection

"Go forth among the stars and seek only the strongest prey. They shall be your trophy. Become the killer of killers." - Yautja Codex 0522/74

“You shall stand up before the gray head and honor the face of an old man, and you shall fear your God: I am the Lord." - Leviticus 19:32 ESV

"He who would trade liberty for some temporary security, deserves neither liberty nor security." - Benjamin Franklin

"...And you will be their savior, your strength will be their shield and your will... their sword. You remain... unbroken... for your fight... Is Eternal." - King Novik

"When you see the very first beginnings of something, and you go from seed to sapling, that's what we saw here," [engineering research associate Jon] - Source

Cleric: And the Lord spake, saying, "First shalt thou take out the Holy Pin. Then shalt thou count to three, no more, no less. Three shall be the number thou shalt count, and the number of the counting shall be three. Four shalt thou not count, neither count thou two, excepting that thou then proceed to three. Five is right out. Once the number three, being the third number, be reached, then lobbest thou thy Holy Hand Grenade of Antioch towards thy foe, who, being naughty in My sight, shall snuff it.
"Monty Python and the Holy Grail"

Connor MacLeod: There can be only one!

Ramirez: Most people have a full measure of life... and most people just watch it slowly drip away. But if you can summon it all up... at one time... in one place... you can accomplish something... glorious.
